Gold Medal – The Fifty Best Rose Competition, UK 2016

91 points – Tastings.com (Beverage Testing Institute), May 2016

Bright light medium reddish pink colour. Bright, fruity, herbal aromas and flavours of dark cherries, nuts, and hint of eucalyptus with a soft, tangy, dryish medium-full body and a warming, layered, relaxed vanilla nuts and delicate spices finish with earthy tannins and no oak. A very tasty and well balanced rose with mouthwatering fruit.

Gold Medal – Tastings World Wine Championships 2015

Pale light ruby color. Interesting aromas of dried strawberry, graham cracker, and cornichon with a silky, lively, dry-yet-fruity light-to-medium body and a seamless, interesting, medium-length blood orange, melon, and reduced lemon finish with no oak. A nice dry adult rose.

What makes this Rose perfect for summer? Scarlet Ladybird Rose is perfect with Asian cuisine or dishes that are a bit spicy. All in all, a seriously fun drink: We suggest drinking it whilst young on a picnic rug with chilled prawns, a second bottle and friends and family.
