*"Pale silvery emerald straw color. Aromas and flavors of apple and pear custard tart, dried flowers, and melon and cucumber with a silky, bright, dryish light-to-medium body and a refreshing, medium-length quince and persimmon, pickled Meyer lemon, and minerals and grass finish with soft tannins. An elusive and engaging Australian white that will shine at the table."*

Sexy, sassy and somewhat racy, our cheeky Vermentino exudes so much character it just keeps you coming back for more! Clarity of direction and straight out pizzazz. You can see where the name came from! Purity of varietal flavours such as lovely green apple, Starfruit, fresh Lime and zesty Grapefruit all wrapped up in a crisp zingy finish.
